

Parish Transformation Coach

Greenwood Village, CO

Full-time / On-site

Who We Are

The Amazing Parish challenges and inspires church leaders with transformational coaching, support, and encouragement to bring their communities to life. We believe that God is bringing about a powerful renewal in the Church today through leaders who are ready to trust him fully and lead with courage. Gone are the safe and secure days of the Christendom age. The Church needs bold, convicted leaders for our times to spread the Gospel, much like the first Apostles. If this convicts you, our mission is growing and we are looking for coaches to join our fast-paced, collaborative, and mission driven team.

What You'll Do

Transformation Coaches are at the forefront of helping pastors and church leaders transform into the leaders that Christ has called them to become. Parish leaders are often overwhelmed, alone, and discouraged when it comes to leading the mission of Jesus in their community. Coaches help them embrace leadership, clarify what God is asking of them, and live it out joyfully and effectively. Coaches spend most of their time leading calls with pastors and parish leadership teams. Most of these interactions take place via video chat.

- A gift for building and maintaining strong relationships
- Ease in communicating effectively and working as a member of a close-knit team
- Strong leadership skills and experience drawing from the leadership principles from of and principles from Scripture, the Table Group, and the Amazing Parish.
- High ability to engage in critical thinking and problem solving to assist leaders in bringing about parish renewal and transformation
