### How to Pray Together as a Team

1. Speak personally to our Father, to Jesus, or to the Holy Spirit
  - This not a time for liturgical prayer, e.g. “We pray for...Lord hear our prayer.”
2. Pray in your own words
3. Don't worry about sounding smart
4. Don't pray silently if no one else is praying – go for it
5. Listen to faint impressions from the Holy Spirit, inspired by others' spoken prayers
  - He teaches us to pray (Romans 8:26)
  - He speaks to us (John 10:27)

How is your team committing to praying intentionally together? Write your team's commitments to intentional prayer on page 42.
