

Director of Mission Advancement

Denver preferred, remote possibility for the right candidate | Full-time

Who We Are

Amazing Parish is a movement led by pastors and parish leaders who firmly believe in the power of courageous leadership and cultural change to bring about parish transformation from the inside out.

After eleven years of fruitful work seeing pastors and parishes flourish with the accompaniment of the Amazing Parish team, we see bold visions and new opportunities in front of us to Gather, Coach and Inspire an international movement of healthy and effective leaders in order to renew and unlock the Church for mission.

What You'll Love

The Director of Mission Advancement will work closely with the Executive Director to build and grow the mission of Amazing Parish. You will share responsibility for the results with the ED while expanding and executing on a full development effort.

Amazing Parish is building a community of benefactors who care deeply about the renewal of the Church, the priesthood, and seeing parishes become places where the mission of the Church is being fruitfully lived every day. AP sees mission advancement as necessarily integrated into the full scope of the organization's strategy, not operating in a silo. This is not a development position where you are out on a limb, working alone to fundraise. You will have a highly engaged and competent board of directors and will work for an executive director who sees his first and primary role as chief fundraising officer. You will run the strategy for a fully operational development shop and manage up, maintaining relationships with our current philanthropic community while securing new small, major, and foundation support for our mission.

This mission is perfect for someone who thrives on relationships, has measurable experience in running a development program, can work at the pace of a growing organization and is excited by the idea of raising support for a mission that truly matters and is making an impact in the Church.
